Assignment 0123 Feedback

Proficiency *1a* can only go as high as | in this assignment because, well, we've only just begun. Future assignments will build you up to a + eventually.

1a — Looks like you're well on your way to a decent level of command line proficiency. No problems with your DIY repository either. (|)

4d — No problems with looking up information and restating them. (+)

4e — You have a single commit—this is marginally acceptable for this assignment due to its relatively small scale, but make sure to work more granularly in the future. (+)

4f — Assignment done on time. (+)
