Assignment 0121 Feedback

Carlos Agudo

r2d32 / carlos.jorrillo@gmail.com

4d — No problems with creating the repository. (**+**)

4e — For this round, creating the repository is a sufficient display of version control skills. We'll expect more in future assignments. Do put *.DS_Store* in your *.gitignore* file though; those are not useful anywhere else but on your machine. (**+**)

4f — Assignment done on time. (**+**)
